Sonnenberg in Full Swing

With summer in full swing, we are happy to have so much activity back in the park. From hosting school and large bus tours to life celebrations, photo shoots and weddings, we are safely coming out of COVID. We are excited to see guests enjoying our gorgeous park and taking in the gardens.

We have re-opened the 2nd floor of the mansion. Huge thanks to the volunteer housekeeping staff, our curator and her team, the garden club and docents for all the work they do to make sure the mansion is a truly memorable stop.

We also have our Master Gardeners here each Saturday from 10-12 through July 24th to answer any questions you might have about your own gorgeous gardens.

**Record-breaking Attendance
2021 Fathers Day Car Show**

The combination of amazing weather, great food, music, and a record-breaking number of cars and patrons made this past Fathers Day Car Show one for the books. Gale-Wyn and FL2 kept our guests fed and hydrated with yummy chicken BBQ and tasty cold beverages. Our very own Larry Dilullo worked incredibly hard to make sure this event was highly publicized amongst local car groups and organized the trophies and judging.

We would like to thank all of our volunteers for their hard work and for helping to make this a safe and successful event. And last but not least, we would not be able to hold events without the generous support of our many sponsors: Van Bortel, Ryan's Wine & Spirits, Legends 102.7, Canandaigua National Bank, Lyons National Bank, Wegmans, and F.G. Rayburn Mason Contractors, Inc.
