

# Sonnenberg news from sunny hill

August 2021 | Issue 8

## Summer In The Gardens

Summer in the gardens this past month has seen an upswing of activity. From hosting Arts At The Gardens, large bus tours, garden clubs, photo shoots and weddings, we are excited to see the attendance coming back to a more normal season.

In July we started to harvest the Kitchen Garden and have seen great progress with our new entrance.

We want to once again thank all the volunteers that have helped with this seasons success so far! We would like to invite all of our 2021 volunteers with one guest to join us at our August 20th Moonlight Stroll. Show your badge for free admission.

## Arts At The Gardens

This years art show had a new layout around the mansion which was enjoyed by the artists and our guests. The show had artists from six different states with artwork in ten different categories. The weather was beautiful on Saturday and drizzled rain on Sunday with attendance of 1700+ guests throughout the weekend. This fundraiser met this years budgeted goals with a small surplus. Thank you to all of our sponsors (Ryan's Wine & Spirits, F.G. Rayburn Mason Contractors, Wegmans & CNB), vendors, musicians, staff and volunteers for the successful 20th season of Arts At The Gardens.

## Sonnenberg In The News

We are so happy to announce that we received Parks & Trails NY funding in the amount of \$16,200 to fund a campaign and marketing plan to assist in public relations and fundraising.

 We were lucky enough to connect with Scott Trimble, a video journalist at [syracuse.com](#) | [NYup.com](#) | [Post-Standard](#) and he came in with another drone operator and took some amazing footage one evening a few weeks ago.
